

MATCH-UP 2025 in Review

February

MATCH-UP got to participate in the Potomac Health Fair where we spread the word about our partnership with George Mason pre-dental student, Zahra Ibrahimkhil for our "Brighten Your Smile" initiative.

With MATCHMakers Deen and Emily taking charge, we shared our initiatives and connected with our community by hosting a table at Benton Middle School's Heritage Night.

March

Spearheaded by MATCHMaker Zahra Ibrahimkhil and MATCH-UP VP Zaib Zhir, we launched our dental hygiene initiative in Chennai, India which allowed over 25 low-income mothers and children in a residential women's shelter to receive vital dental care products. Ibrahimkhil and Zahir ensured that these women gained the knowledge to maintain their health long-term.

April

We expanded Mommy -and- Me baskets to Trujillo, Santo Domingo, Peru through MATCHMakers AnaMaria and Wilson Del Aguilar. We are now serving even more under-resources mothers and newborns with critical post-natal supplies.

May

MATCH-UP VPs Aerin, Rania, and Quinn and MATCHMaker Lili Bermudez attended CASA's Spring Festival to spread the word about our Mommy -and- Me baskets and hand our diapers, toys, and books.

July

Back To School Supply Drive
